This repair manual part number 272147 is for lawn and garden equipment engines. Repair manual 272147 contains stepbystep basic repair instructions and illustrations. Amazon calculates a product's star ratings based on a machine learned model instead of a raw data average.

<https://congiendis.vn/vi/bosch-jigsaw-1587avs-manual>

The model takes into account factors including the age of a rating, whether the ratings are from verified purchasers, and factors that establish reviewer trustworthiness. Please try again later. J. Ryan 5.0 out of 5 stars Its even better when all of the information is in one place. And 8t is pretty hard to find more accurate information than what is available from the people that made the engine in the first place.I think its a general purpose manual and they say it works for models that are not specifically listed. If that is not the case, someone let me know. The instructions are good but it would be nice to know that I have the instructions for my particular model.I would like to suggest that you confirm with Briggs and Stratton via email before ordering this book. It seems like there are many exceptions and variations. I called and was given the incorrect info. However Briggs sent me the correct book free of charge. Again.verify by your engine model before ordering.Confusion about Inteck and Vangaurd models.This is a good manual for that type of engine, which I dont have.It is listed on many sites as the manual for Intek OHV engines.Sorry, we failed to record your vote. Please try again Efficace y a plus quaSorry, we failed to record your vote. Please try again.
